Dear members:

The Haitian Apostolate acknowledges with gratitude your kind and generous donation of \$ 5 000.00 in support of Radio/TV Solidarite, a program of our organization aiming at the education and Evangelization of our population.

We look forward to the input of your association in providing health-related educational materials to the people we serve. Such programs do not exist in Creole.

Your support gives us great encouragement in our efforts which we have launched with our naked hands. Our Radio/TV station is not commercial. Volunteers are operating the station. We have not received and do not anticipate any income from the services we render.

Thank you for the trust you put in us and for your continued collaboration in promoting the education of our people.

May God bless you!

+Rev. Guy Sansaricq  
Executive Director of Radio/TV Solidarite.  
Vice-President of the "Haitian Apostolate Inc."
