This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Dade County Medical Association and the AMHE, Inc. The Dade County Medical Association provides continuing medical education for physicians.

The Dade County Medical Association designates this live activity for a maximum of 19.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Reporting of MOC Credit**

Many specialty Boards will allow their diplomates to self-report the credit earned. However, the DCMA is required to report the MOC credit claimed for the following boards using the diplomate's Board ID # and Date of Birth (month and day): Anesthesiology, Pathology, Surgery, Orthopaedic Surgery, accurately on the evaluation form to ensure credit can be reported. The DCMA is unable to report MOC credit claimed at this time for the following boards that no longer offer self-reporting: Internal Medicine, Otolaryngology - Head & Neck Surgery, and Pediatrics. By claiming the MOC credit on the I this information/data to report your participation to these Boards via the ACCME Program and Activity Reporting System (PARS).

**ABA MOC Recognition Statement**

This activity contributes to the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, [www.theABA.org](http://www.theABA.org), for a list of all MOCA 2.0 requirements.

**ABPath MOC Recognition Statement**

Successful completion of this CME activity, which includes participation in the evaluation component, earns credit toward the Lifelong Learning requirements for the American Board of Pathology's (ABPath) Continuing Certification program – Lifelong Learning (CME). Participants will earn Lifelong Learning credit for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABPath MOC credit.

**ABS MOC Recognition Statement**

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirements of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Orthopaedic Surgery's Maintenance of Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABOS credit.

**ABTS MOC Recognition Statement**

Successful completion of this CME activity enables the learner to earn credit toward the CME of the American Board of Thoracic Surgery's Maintenance of Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABTS credit.

ation is accredited by the Florida Medical Association to

and Thoracic Surgery. This information must be supplied  
Evaluation form, you are giving the DCMA permission to use

learning credit equivalent to the amount of CME credits claimed

er completion information to ACCME for the purpose of  
Statement  
rner completion information to ACCME for the purpose of

ting ABTS credit.
