- Central line, Endotracheal Intubation, Neonatal Resuscitation, Lumbar puncture, Laryngeal Mask Airway(LMA), Intraosseous infusion(IO).

Suggestions and Comments:

I really liked the externship, I learned a lot and I'm ready to share my knowledge with the other residents at Cap-Haitien in order to improve the quality of care we give to patients. I hope the program will continue so that other residents can benefit from it. Once again, THANKS to everyone.
